

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 15, 1995

SUBJECT: **SB 718 - HB 1676**

This bill, if enacted, will among other things, place the burden of proof that an injury arose out of and in the course of employment. The burden would not be proven merely by disproving other possible explanations of how the injury occurred.

The fiscal impact from enactment of this bill is estimated to result in a decrease in state and local government expenditures; however, such decrease cannot be reasonably determined but can be estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
